The Fast Growth 100 has an average two-year revenue growth ('06-'08) of 87 percent, and average annual sales of products and services of \$198.2 million. To be eligible for the 2009 Fast Growth 100, companies must be an IT solution provider; be based/headquartered in the U.S.; have had net sales of at least \$1,000,000 in calendar year 2006; and be an independent company.

The Fast Growth 100 rank is based on two years' growth of net sales from calendar year 2006 to calendar year 2008. Net sales were verified by public filings when possible. All private companies provided a signed affidavit attesting to the accuracy of the reported 2006 and 2008 net sales figures or accountant-reviewed financials or audited financials. Affidavits were signed by an owner or officer of the company or by a CPA representing the company. Affidavits and financials are on file in Manhasset, NY.

The Fast Growth 100 will be featured in the August issue of CRN Magazine and on www.channelweb.com. The CRN Fast Growth Conference, which will take place on October 21 at the Sir Francis Drake Hotel in San Francisco, will honor the fastest growing Solution Providers in the industry. The CRN Fast Growth Conference is a one-day executive conference that brings together top channel executives with the fastest growing Solution Provider organizations in North America.
