Naperville, Ill, Aug. 29, 2011 (GLOBE NEWSWIRE) -- *Inc.* has named software service leader, LIBSYS, to their annual *Inc. 500|5000 List* for the fourth consecutive year.

LIBSYS develops, installs and operates IT systems and HR procedures, providing staffing, managed services, outsourcing and consulting for ERP, warehousing and business integration systems.

"This recognition by *Inc.*, for the fourth year in a row, is almost overwhelming." said Mr. Shree Yerramsetti, President of Libsys. "This past year's growth, even in the midst of the worst recession in years, is a testament to the ingenuity and commitment of our employees, and the loyalty of our clients."

Inc. magazine compiles an exclusive list of the fastest-growing private companies in America, which acknowledges annually the most important segment of the economy -- America's independent-minded entrepreneurs.

"With less than a decade since LIBSYS open its doors, making the *Inc.* list for the fourth consecutive year, is a validation of our vision, our mission and our values - the way in which we develop an understanding for each of the industries we represent, and working toward the solutions to answer our client's specific needs." said Mr. Siva Yarramsetty, CEO of Libsys, "It's a strategy that's been instrumental to our growth, both in the Chicago area and globally."

Founded in 2002, LIBSYS has rapidly grown to become a recognized leader in the IT consulting field. Libsys' client roster includes industry leaders including ProAg, Encore, Concentrix, Continental and AON.

"As an *Inc. 5000* honoree, LIBSYS shares a prestigious pedigree with such notable alumni as Intuit, Zappos, Under Armour, Microsoft, Jamba Juice, Timberland, Clif Bar, Patagonia, Oracle, Zipcar, and scores of other powerhouses." said *Inc.* editor Jane Berentson. "Congratulations to you and your team. *Inc.* recognizes the creativity, dedication, and hard work that have gone into building LIBSYS into what it is today and wishes you many more years of success."

Now in its 30th year, the *Inc. 5000* list of 2011 recognizes American businesses that fuel the U.S. economy through growth and innovation.
